Farewell to all the future classes and teachers in HHS. For all the years of joy and hate I have had in this school I say goodbye. To the underclassmen: don't drop out and keep your grades up and one day you can write one of these.

Kevin Eugene Casey

It's been fun guys. See ya later and have a blast! And remember to play rough because life ain't no game.

Ginger Sue Cook

Farewell to the remaining students here at HHS and most of the teachers. It's been a great year. Good Luck and pursue all your dreams.

Shada Concetta Cook

I hope that everyone will try their best to achieve everything that they have always wanted and to remember to never give up.

Kimberly Michelle Cox

To all Seniors: Live life to the fullest because you only live once and have fun no matter what you do.

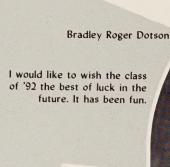

Prisilla Lynn Damron

Best of Luck to all my friends and classmates! Remember all the good times.

To my friends, it's time to say good-bye but it's not the end. Remember the laughter and the good time and always remember me.

Kimberly Lynn Dowdy

To the class of '92 I say good-bye and good luck. These past 5 years have been wonderful. I'll never forget you. Love ya always!!

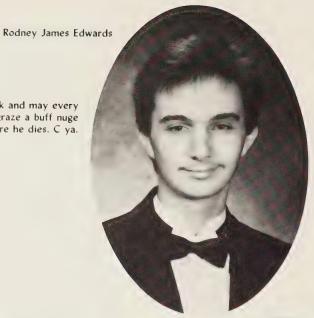

Annis Marcella Dye

I would like to say farewell to each and every one of you. I will always remember the good times we've shared and in my heart I will always treasure them.

Best of luck and may every idiot graze a buff nuge before he dies. C ya.

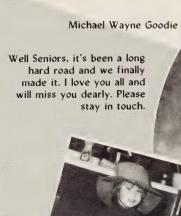

Richard Dale Fry

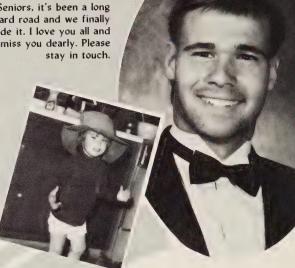

I've had fun, I've had a blast, but I'm just glad that I'm outta here at last.

Crystal Lynn Gibson

Saying good-bye is never easy but it is something that has to be said. My memories with friends will never be forgotten. So long!

Never underestimate yourselves. Our class can achieve anything. Always be positive and my your God

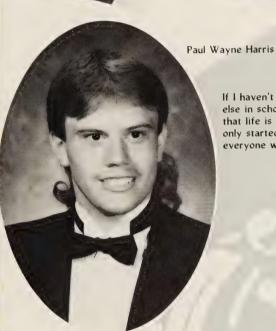

John Wesley Hale

I'd like to thank all of the Senior class and teachers for one heck of a good year! Keep it upl

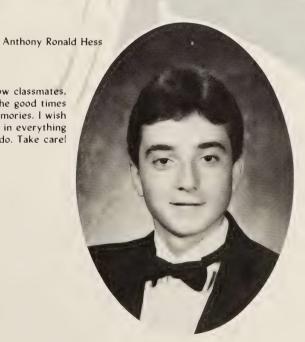

If I haven't learned anything else in school, I've learned that life is rough and it has only started for me and everyone who follows.

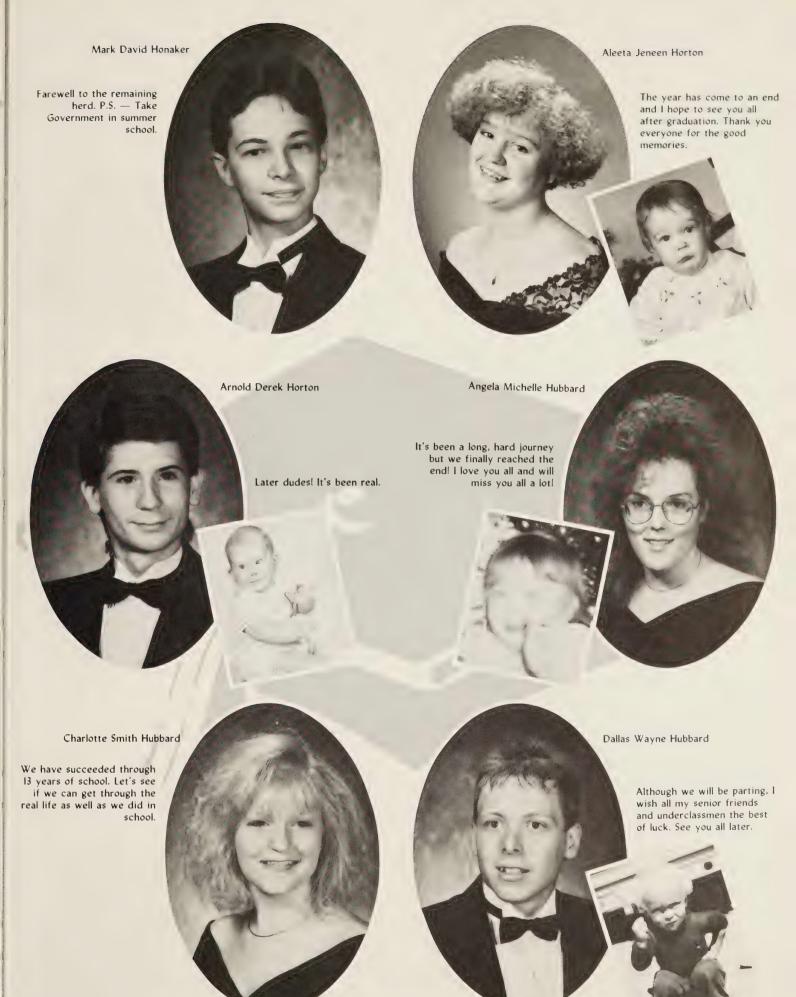

Farewell fellow classmates, thanks for all the good times and fond memories. I wish you all success in everything you do. Take carel

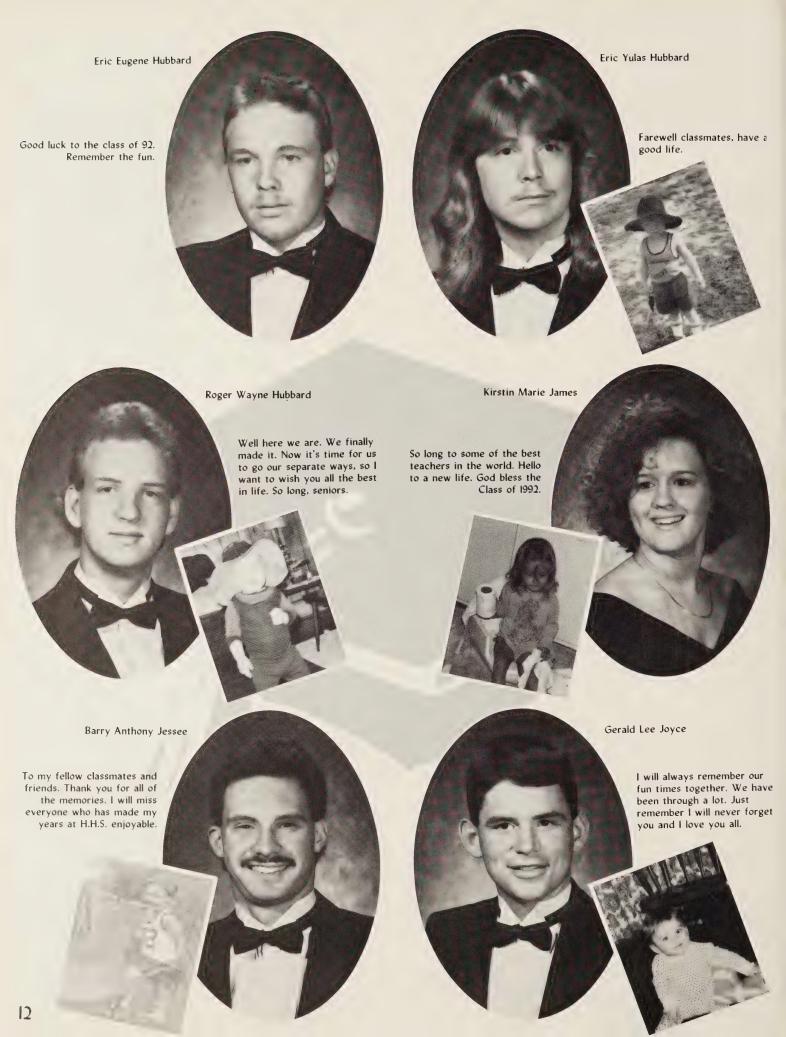

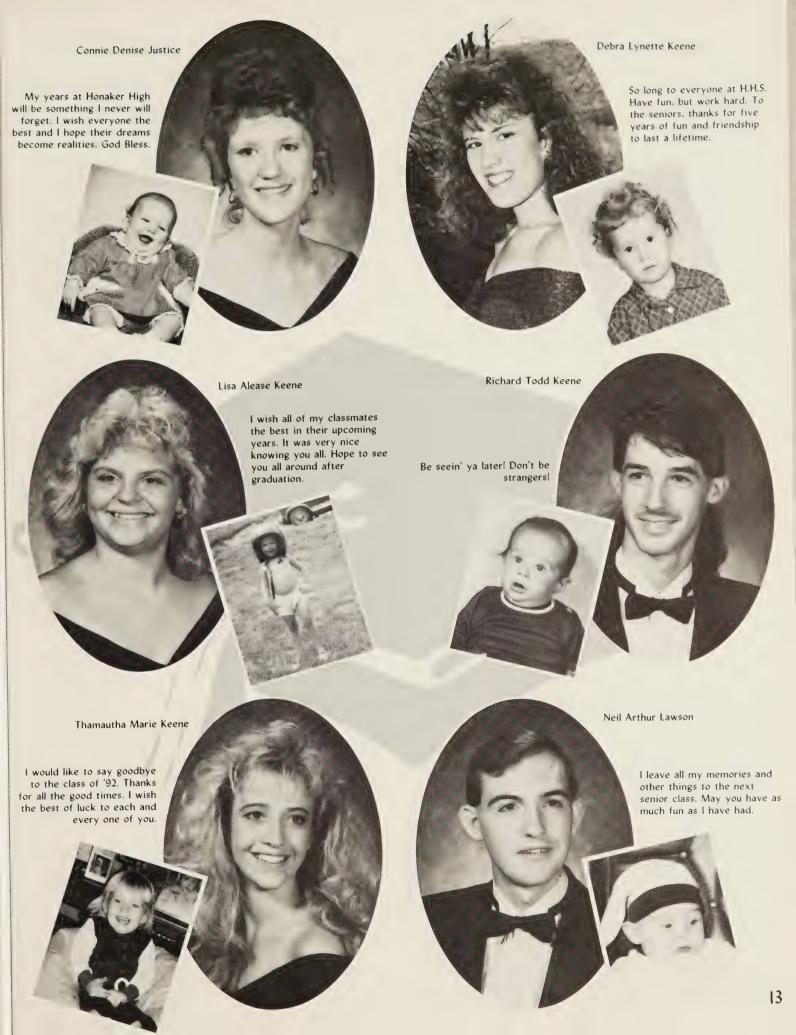

Anthony Wayne Hess

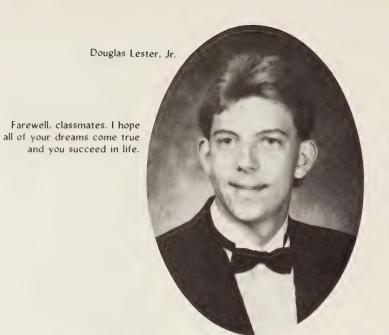

To everyone I played football with: we'll always be champs in our heart. To everyone else: it's been great to be around all of you. Party once for me!

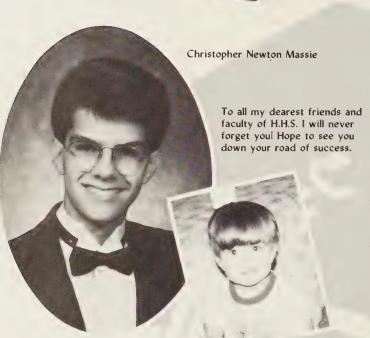

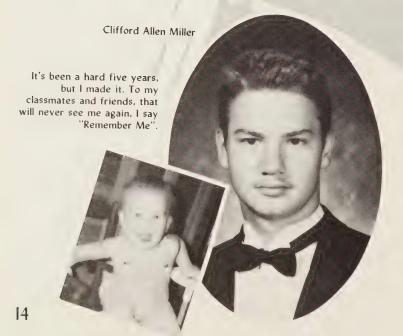

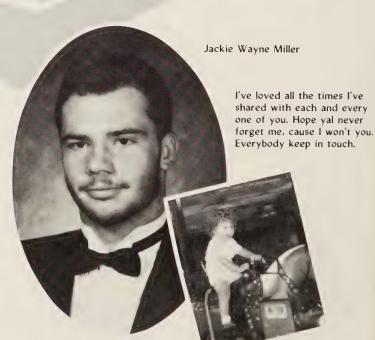

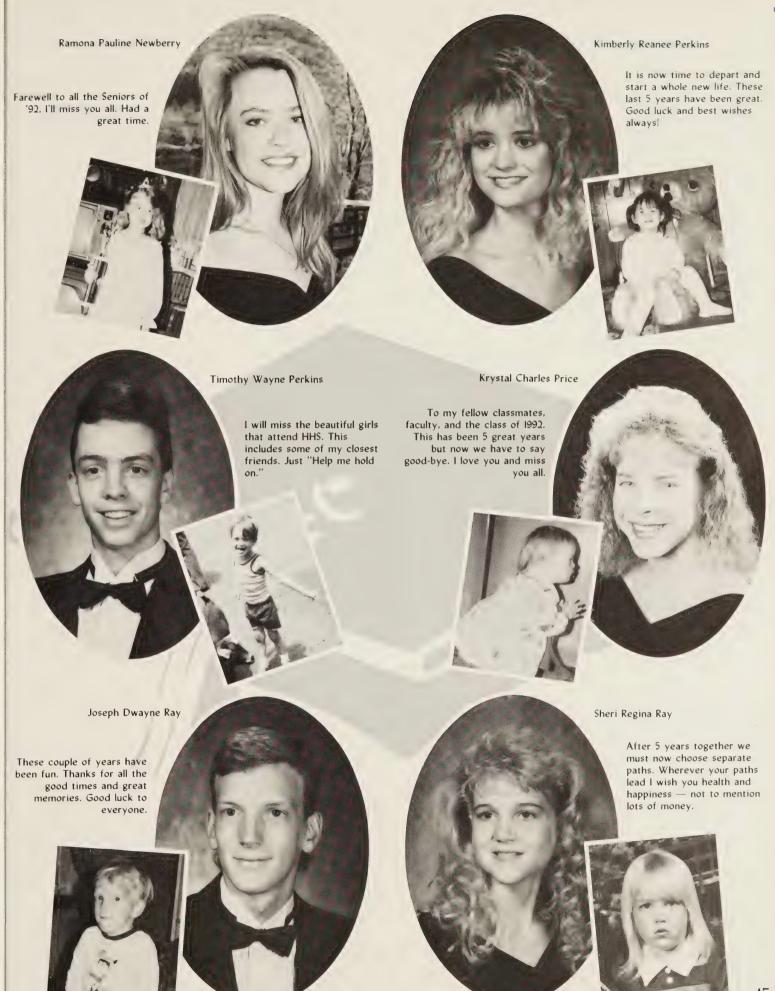

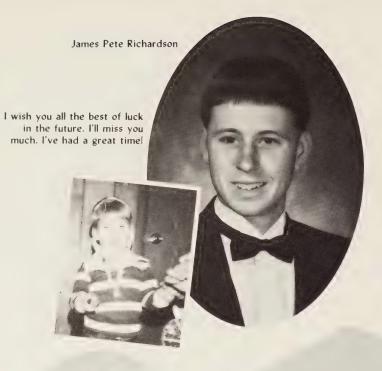

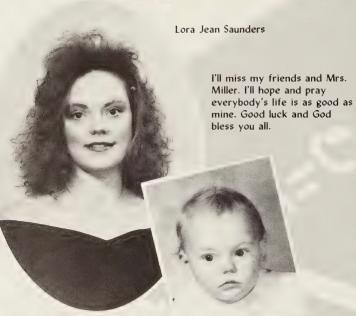

We made it! Good luck in all that you strive to do. May all your hopes and dreams come true. R.M.A

Cynthia Michelle Shelton Good luck in everything you do. Don't give up on your dreams make them realities. I'll never forget youl

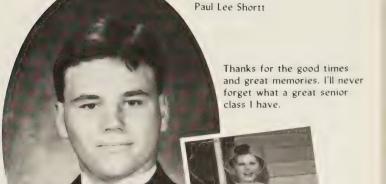

Russell Jenning Short

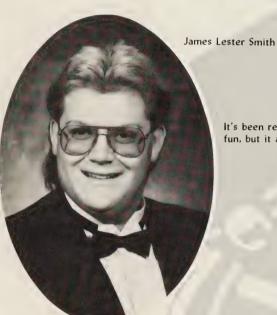

It's been a lot of fun, but now it's time to depart. Catch ya on the flip side.

Edward Darrell Shortt

So long and farewell and good riddance to this place, and bye to my friends.

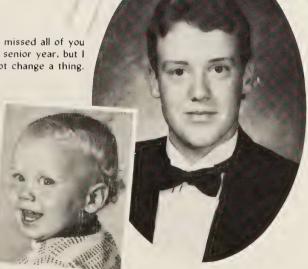

It's been real and it's been fun, but it ain't been real fun.

I have missed all of you my senior year, but I would not change a thing.

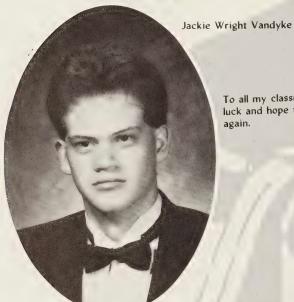

Rick Wayne Stevens

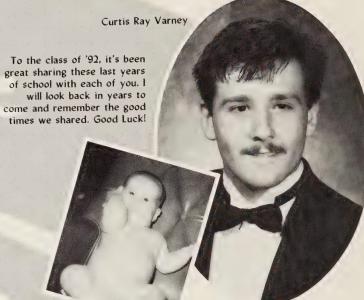

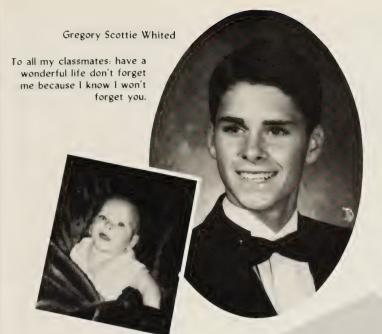

To all my classmates, good luck and hope to see you all again.

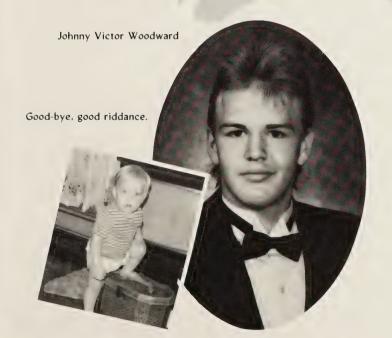

Patty Gay Whited

So long to all my friends at HHS. Wish you all the best and have a good time.

Elizabeta Gruevska

It's really nice to meet such wonderful people and kids your age. I like their way of communicating with each other, the way they talk, joke, the way they're friends to each other, just about everything. Generally everything is wonderful. I'm going to miss the United States.

ROCK'IN TO THE OLDIES 1991

SPIRIT WEEK

The 1991 Homecoming Theme was "Swinging to the Oldies". Each day of Homecoming week is a designated dress-up day. This year two new days were included: crazy shoes and socks day and oldies day. Since "seeing is believing", here is the proof that many participated and all had fun!

The days were: Monday — College sweatshirt day, Tuesday — Crazy shoes and socks day, Wednesday — Twins day, Thursday — Oldies day, Friday — School spirit day

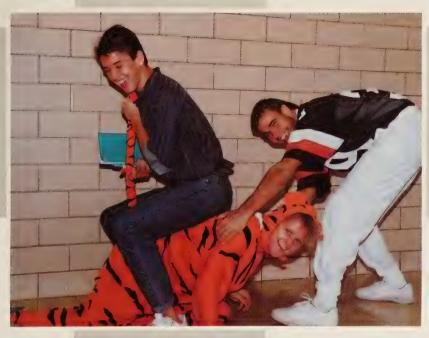

38/Homecoming

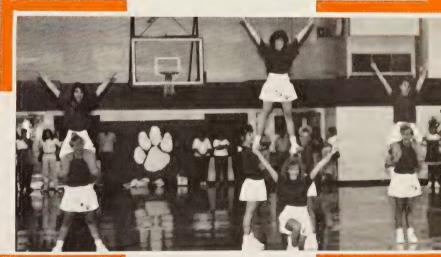

This year's Homecoming Pep Rally was held on October II, 1991. There was alot of spirit shown by everyone, but the overall spirit was shown by the Sophomores! To get the football team "fired up", the cheerleaders did a routine to "Great Balls of Fire". The band kept things going by leading the school in the "Fight Song". The fun continued with a baby bottle drinking contest in which Tony Jessee proved that he was the best! The players, cheerleaders, students, and faculty left the pep rally looking forward to the game. The high spirits of the day paid off that night!

This year's Homecoming Queen was Angel Bise. Tina Dye was chosen as the Maid of Honor. The entire student body voted on who would receive these honors. Last year's Homecoming Queen, Chrissey Cook, was on hand to assist Superintendent Larry Massie and Principal Harry Steffey with the crowning. Homecoming '91 was a great success for everyone.

The tremendous effort put forth by the students was evident at the 1991 Homecoming Parade, which was held on Friday, October II, 1991 at 5:00 p.m. The students worked day and night on various club floats to see who could build the best one. The winners were: Best All Around — SCA; Paw Award — FBLA; and the Queen's Award went to the FCS. Thanks to the devotion of the students and faculty, this years parade was a success.

HOMECOMING PARADE

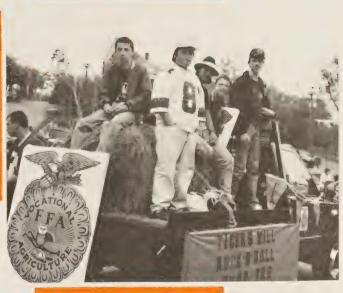

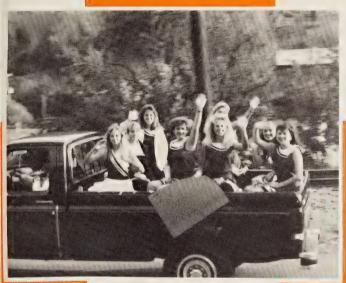

ROCKIN TO THE OLDIES

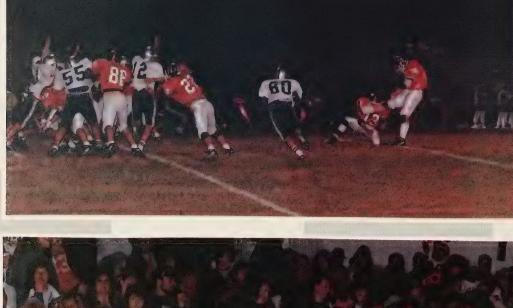

TIGER PRIDE

Tiger Pride? — You BETTER BELIEVE IT! The art club put forth every effort imaginable to make Homecoming 1991 a success by decorating the end zones with an orange and white checkerboard design, painting the "Welcome to the Jungle" sign, and adding Tiger paws to the pressbox. The cheerleaders put in many extra hours working out the pep rally, hanging spirit signs and making a giant balloon spiral. Lots of fans showed their support not only at the game, but the entire week!

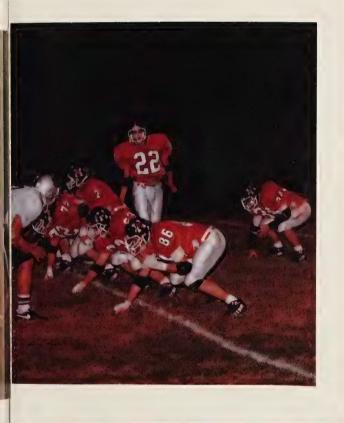

Homecoming 1991 was an event that will always be remembered by many. Honaker High School's week of "Swingin to the Oldies" was topped off by the — "Panther Mash"!

FOREIGN EXCHANGE STUDENT: **ELIZABETA GRUESVSKA**

Class president, Tony Jesse, presents Elizabeta with a gift from the senior class.

Elizabeta receives her diploma from School Superintendent Larry Massie.

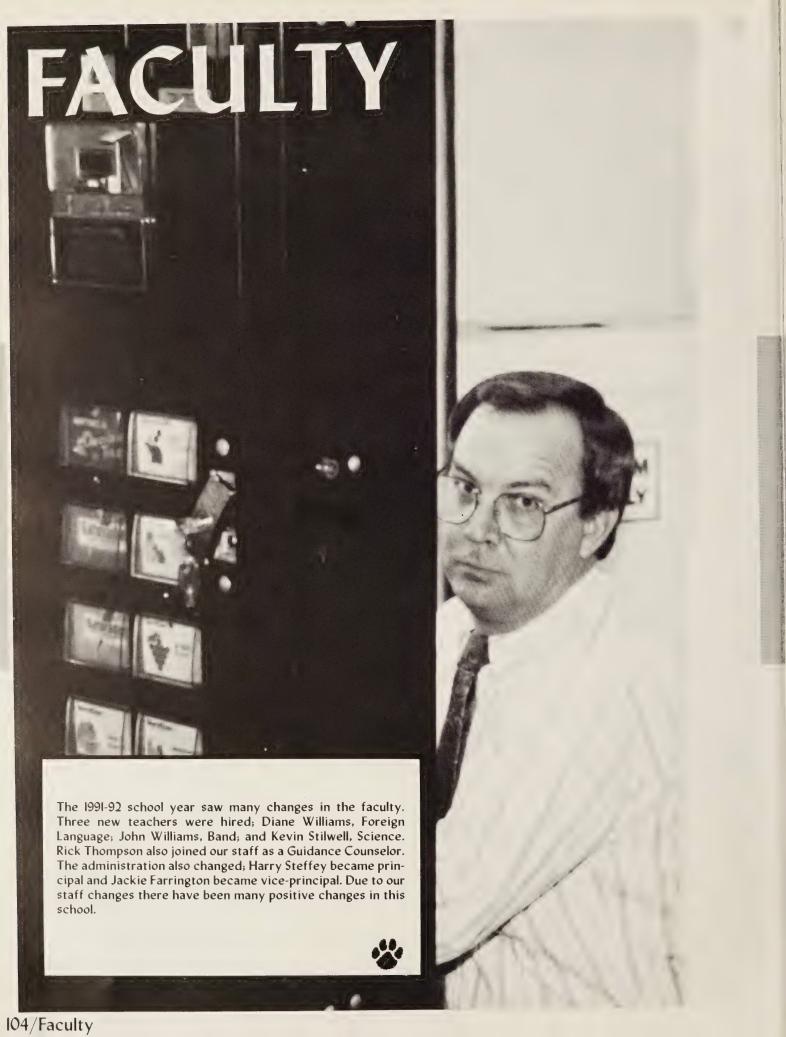

It's been my great pleasure to come from abroad to here, the United States. Til now I got great experience while learning your customs and tradition. I love almost everything; the food, the fashion, the way of living, cars, but mostly your democratic system. People here always find solution for any problem, political or economic, by peaceful means, not by using force. I think that's the one thing that other people in this world should learn. Everything else, to me, looks perfectly right. I wish you the best in future, U.S.A.!

Well, that's all I can say about U.S. About me, there's probably alot to say, but since we don't have much space here, I tell you in short where I'm coming from. I was born January II, 1974, in Skopji, in present day Republic of Macedonia, which was part of Yugoslavia two years ago. It is a big city and I haven't moved out of it since then. I always love to have fun with my best friends. We always go to discos or bars, or in summer time going on the sea coast for vacation this year, too, as soon as I get to go home. I really enjoyed this year, and I'd like to thank all of you, and especially my exchange mother and father, Jackie and Clark Farrington, who made most of my stay here very happy.

Elizabeta

Love ya all, Elizabeta Juerska

LIFE

Whether you believe it or not, the alarm clock has sounded and it's time to start another school day. Even though the bed feels best when it's time to get out of it, get up you must and make the crucial decision of the day: What will I wear to school today?

After getting ready, you dash out the door for Honaker High. You fight traffic on your way, get to town, then relax and cruise a few trips to see who's out and about. As 8:30 draws nearer, you head up Tiger Lane so you will get to class before the tardy bell rings!

You made it to school in time to visit some friends, make a trip to your locker to gather your books, pencils, and notebooks for class, and dash through the door of your first period class before the tardy bell rings. Besides the basic English, math, science and social studies classes, you can take foreign languages, music, art, speech and drama, business classes and many others. There is a class for most interests but, the important thing is what you do when you get to class!

Although most school hours are spent in the classroom, there are many learning experiences that take place outside of the class setting. Mrs. Miller's speech and drama classes learned about set building and basic carpentry while building new back drops for the stage. Mrs. Fox's biology class used classroom studies to beautify the school. The class planted a flower garden at the main doors to give visitors a pleasant reception. And sometimes you can use your everyday knowledge to help with the upkeep of the school.

As the day at school goes by, you finally get your lunch break. There was a pleasant surprise this spring in the cafeteria. The old rectangular tables of various sizes, many in need of repair, along with the orange chairs were replaced. The new furniture is a light beige color with tables that seat six or eight people. Along with the new furniture and curtains, the cafeteria is a much nicer place to eat. Lunch can't last forever and before you know it, it's time to head back to class and hit the books.

While most of the day is spent working and learning, there is time for being with friends. Many students that you have class with will become friends that you will share good times with for many years. Through school activities you will also have the opportunity to meet many other people. Carolyn Puckett attended a CIS convention in Charlotte, N.C. and met Michael Jordan's mother, who is involved in the program. Friends are a very important part of your school life!

This year we were involved in a self study program in which we were evaluated by a visiting committee. The committee came into our school for a week and observed everything from classroom work to a "hill billy" play performed by the speech class. Our school received high marks and praise from the committee. We were very pleased!

After a long day of school, everyone is ready to go on to practice for sports, hang out with friends, or just go home and rest. But homework must be done and clothes picked out for tomorrowl

ART

Top right, Officers: Robert Campbell — President, Samantha Hale — Secretary-/Treasurer, Christy Honaker — Sponsor, Rodney Miller — Vice President, Michael Goodie — Reporter

The Art Club is made up of students enrolled in art II or III. The club offers members the chance to experience the visual arts in other areas than the classroom. The club visited shows and galleries in the area this year. A small group, primarily Art III students, had the opportunity to visit the National Art Gallery along with other museums and monuments in Washington D.C. We hope this will be an annual trip for our students.

TIGER TIMES

The TIGER TIMES staff is made up of members of the Journalism 2 class. These students publish ten issues of the school paper each year as well as participate in various workshops. Yearly workshops at Southwest Virginia Community College and East Tennessee State University allow the staff members to talk with students from other schools about their newspapers and to get instruction from professional journalists. The TIGER TIMES staff is dedicated to producing a quality school paper, to improving their writing skills, and to becoming better informed citizens.

SCA

The 1991-92 SCA is very pleased with their accomplishments this year. We started the year with eighth grade orientation. As always the SCA expressed the concerns students had about school policy and the over all school operations. For several years the SCA had suggested snack and drink machines. Finally it has become a reality this year.

Each year the SCA sponsors football Homecoming. This year's theme was "Rockin' to the Oldies." Daily activities were sponsored, but the parade and dance were especially time consuming for SCA members. But it all came together and declared a great success!

This was the first year in many that a Christmas program was presented. The SCA organized and performed in the play "The Little Star." The play also featured special singers and performers from the FCS. The SCA also sponsored the White Christmas. We contributed and delivered \$300 worth of new clothes to needy children in the area, as well as collecting canned food and clothing for Russell County Social Services.

The final SCA event was the Miss HHS Pageant. This year's pageant was held May 5, with the theme "Heaven in my Eyes." Participation was excellent as always.

As representatives of the student body, we have enjoyed this school year. We feel good about it and have beautiful memories of 1991-92. This yearbook will help us reflect upon the activities and friends made and kept here at HHS.

The team received good marks in the regional competition which was held in the Russell County Court House. Special thanks go to Mrs. Edgell, Mrs. Justice, and Mr. Smith for giving their extra time to help. Thanks also go to Mr. Ben Chafin of Lebanon who coached the team with their legal skills.
